Item 1.01. Entry into a Material Definitive Agreement.

Business Combination Agreement

As previously announced by TradeUP Global Corporation, a Cayman Islands exempted company incorporated with limited liability (“TradeUP” or the “Company”), on September 27, 2021, TradeUP entered into a Business Combination Agreement (as it may be amended and/or restated from time to time, the “Business Combination Agreement”) with TGC Merger Sub, a Cayman Islands exempted company incorporated with limited liability and a direct wholly-owned subsidiary of TradeUP (“Merger Sub”), and SAITECH Limited, a Cayman Islands exempted company incorporated with limited liability (“SAITECH”). Upon the terms and subject to the conditions of the Business Combination Agreement, and in accordance with applicable law, Merger Sub will merge with and into SAITECH, with SAITECH surviving the merger and becoming a wholly owned subsidiary of TradeUP (the “Merger”).

TradeUP, Merger Sub and SAITECH entered into an Amendment to the Business Combination Agreement, dated as of October 20, 2021 (the “Amendment”), which amends and replaces the form of SAITECH Global Corporation 2021 Equity Incentive Plan (the “Incentive Plan”) attached to the Business Combination Agreement. The Incentive Plan remains subject to shareholder approval in connection with the transactions contemplated by the Business Combination Agreement. The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by the terms and conditions of the Amendment filed as Exhibit 2.2 hereto and incorporated herein by reference.

Important Information About the Business Combination and Where to Find It

In connection with the proposed Business Combination, the Company intends to file with the SEC a registration statement on Form F-4 (the “Registration Statement”), which will include a proxy statement/prospectus, and certain other related documents, which will be both the proxy statement to be distributed to holders of shares of the Company’s ordinary shares in connection with the Company’s solicitation of proxies for the vote by the Company’s shareholders with respect to the Business Combination and other matters as may be described in the Registration Statement, as well as the prospectus relating to the offer and sale of the securities of the Company to be issued in the Business Combination. **The Company’s shareholders and other interested persons are advised to read, when available, the preliminary proxy statement/prospectus included in the Registration Statement and the amendments thereto and the definitive proxy statement/prospectus, as these materials will contain important information about the parties to the Business Combination Agreement, the Company and the Business Combination.** After the Registration Statement is declared effective, the definitive proxy statement/prospectus will be mailed to shareholders of the Company as of a record date to be established for voting on the Business Combination and other matters as may be described in the Registration Statement. Shareholders will also be able to obtain copies of the proxy statement/prospectus and other documents filed with the SEC that will be incorporated by reference in the proxy statement/prospectus, without charge, once available, at the SEC’s web site at www.sec.gov, or by directing a request to: TradeUP Global Corporation, 437 Madison Avenue, 27th Floor, New York, New York 10022, Attention: Jianwei Li, (732) 910-9692.

Participants in the Solicitation

The Company and its directors and executive officers may be deemed participants in the solicitation of proxies from the Company’s shareholders with respect to the Business Combination. A list of the names of those directors and executive officers and a description of their interests in the Company is contained in the Company’s registration statement on Form S-1, which was initially filed with the SEC on March 3, 2021, and is available free of charge at the SEC’s web site at sec.gov, or by directing a request to TradeUP Global Corporation, 437 Madison Avenue, 27th Floor, New York, New York 10022, Attention: Jianwei Li, (732) 910-9692. Additional information regarding the interests of such participants will be contained in the Registration Statement when available.

SAITECH and its directors and executive officers may also be deemed to be participants in the solicitation of proxies from the shareholders of the Company in connection with the Business Combination. A list of the names of such directors and executive officers and information regarding their interests in the Business Combination will be contained in the Registration Statement when available.

Forward-Looking Statements

This Current Report on Form 8-K includes “forward-looking statements” within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995. The Company’s and SAITECH’s actual results may differ from their expectations, estimates and projections and consequently, you should not rely on these forward looking statements as predictions of future events. Words such as “expect,” “estimate,” “project,” “budget,” “forecast,” “anticipate,” “intend,” “plan,” “may,” “will,” “could,” “should,” “believes,” “predicts,” “potential,” “continue,” and similar expressions are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, the Company’s and SAITECH’s expectations with respect to future performance and anticipated financial impacts of the Business Combination, the satisfaction of the closing conditions to the Business Combination and the timing of the Closing. These forward-looking statements involve significant risks and uncertainties that could cause the actual results to differ materially from the expected results. Most of these factors are outside the Company’s and SAITECH’s control and are difficult to predict. Factors that may cause such differences include, but are not limited to: (1) the outcome of any legal proceedings that may be instituted against the Company and SAITECH following the announcement of the Business Combination Agreement and the transactions contemplated therein; (2) the inability to complete the Business Combination, including due to failure to obtain approval of the shareholders of the Company, approvals or other determinations from certain regulatory authorities, or other conditions to closing in the Business Combination Agreement; (3) the occurrence of any event, change or other circumstance that could give rise to the termination of the Business Combination Agreement or could otherwise cause the transactions contemplated therein to fail to close; (4) the risk that the Business Combination disrupts current plans and operations as a result of the announcement and consummation of the Business Combination; (5) the ability to recognize the anticipated benefits of the Business Combination, which may be affected by, among other things, competition and the ability of the combined company to grow and manage growth profitably and retain its key employees; (6) costs related to the Business Combination; (7) changes in applicable laws or regulations; (8) the possibility that SAITECH or the combined company may be adversely affected by other economic, business, and/or competitive factors; (10) the impact of COVID-19 on SAITECH’s business and/or the ability of the parties to complete the Business Combination; and (11) other risks and uncertainties indicated from time to time in the proxy statement/prospectus relating to the Business Combination, including those under “Risk Factors” in the Registration Statement, and in the Company’s other filings with the SEC. The Company cautions that the foregoing list of factors is not exclusive. The Company cautions readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. The Company does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions or circumstances on which any such statement is based.

No Offer or Solicitation

This Current Report on Form 8-K shall not constitute a solicitation of a proxy, consent or authorization with respect to any securities or in respect of the Business Combination. This Current Report on Form 8-K shall also not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any states or jurisdictions in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act.

Exhibit J

Form of SAI.TECH Global Corporation Incentive Equity Plan

SAI.TECH Global Corporation

2021 Equity Incentive Plan

Adopted by the Board of Directors of SAI.TECH Global Corporation: [], 2021

Approved by the Shareholders of SAI.TECH Global Corporation: [], 20[]

1. General.

(a) Establishment. The SAI.TECH Global Corporation 2021 Equity Incentive Plan (the “*Plan*”) is hereby established effective as of [], 20[], which is the date of the closing of the transactions contemplated by the Business Combination Agreement (the “*Effective Date*”).

(b) Purpose. The Plan, through the granting of Awards, is intended to help the Company to secure and retain the services of eligible award recipients, provide incentives for such persons to exert maximum efforts for the success of the Company and any Affiliate and provide means by which the eligible recipients may benefit from increases in value of the Ordinary Shares.

(c) Available Awards. The Plan provides for the grant of the following types of Awards: (i) Options, (ii) Share Appreciation Rights, (iii) Restricted Share Awards, (iv) Restricted Share Unit Awards, and (v) Other Awards.

2. Administration.

(a) Administration by Board. The Board will administer the Plan unless and until the Board delegates administration of the Plan to a Committee or Committees, as provided in Section 2(c).

(b) Powers of Board. The Board will have the power, subject to, and within the limitations of, the express provisions of the Plan:

(i) To determine from time to time (A) which of the persons eligible under the Plan will be granted Awards; (B) when and how each Award will be granted; (C) what type or combination of types of Award will be granted; (D) the provisions of each Award granted (which need not be identical or comparable), including the time or times when a person will be permitted to exercise or otherwise receive an issuance of Ordinary Shares or other payment pursuant to an Award; (E) the number of Ordinary Shares or cash equivalent with respect to which an Award will be granted to each such person; and (F) the Fair Market Value applicable to an Award.

(ii) To construe and interpret the Plan and Awards granted under it, and to establish, amend and revoke rules and regulations for administration of the Plan and Awards. The Board, in the exercise of these powers, may correct any defect, omission or inconsistency in the Plan or in any Award Agreement, in a manner and to the extent it will deem necessary or expedient to make the Plan or Award fully effective.

(iii) To settle all controversies regarding the Plan and Awards granted under it.

(iv) To accelerate, in whole or in part, the time at which an Award may be exercised or vest (or at which cash or Ordinary Shares may be issued).

(v) To prohibit the exercise of any Option, SAR or other exercisable Award during a period of up to 30 days prior to the consummation of any pending stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to shareholders, or any other change affecting the Ordinary Shares or the share price of Ordinary Shares, for reasons of administrative convenience.

(vi) To suspend or terminate the Plan at any time. Except as otherwise provided in the Plan or an Award Agreement, suspension or termination of the Plan will not impair a Participant's rights under his or her then-outstanding Award without his or her written consent.

(vii) To amend the Plan in any respect the Board deems necessary or advisable, subject to the limitations, if any, of applicable law; *provided, however* that shareholder approval will be required for any amendment to the extent required by applicable law. Except as provided in the Plan or an Award Agreement, no amendment of the Plan will materially impair a Participant's rights under an outstanding Award unless (A) the Company requests the consent of the affected Participant, and (B) such Participant consents in writing.

(viii) To submit any amendment to the Plan for shareholder approval, including, but not limited to, amendments to the Plan intended to satisfy the requirements of Section 422 of the Code regarding Incentive Share Options.

(ix) To approve forms of Award Agreements for use under the Plan and to amend the terms of any one (1) or more Awards, including, but not limited to, amendments to provide terms more favorable to the Participant than previously provided in the Award Agreement, subject to any specified limits in the Plan that are not subject to Board discretion; *provided however*, that a Participant's rights under any Award will not be impaired by any such amendment unless (A) the Company requests the consent of the affected Participant, and (B) such Participant consents in writing. Notwithstanding the foregoing, (1) a Participant's rights will not be deemed to have been impaired by any such amendment if the Board, in its sole discretion, determines that the amendment, taken as a whole, does not materially impair the Participant's rights, and (2) subject to the limitations of applicable law, if any, the Board may amend the terms of any one (1) or more Awards without the affected Participant's consent (X) to maintain the tax qualified status of the Award, (Y) to clarify the manner of exemption from, or to bring the Award into compliance with, Section 409A of the Code or Section 457A of the Code; or (Z) to comply with other applicable laws.

(x) Generally, to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company and that are not in conflict with the provisions of the Plan or Awards.

(xi) To adopt such procedures and sub-plans as are necessary or appropriate to permit participation in the Plan by Employees, Directors or Consultants who are foreign nationals or employed outside the United States (provided that Board approval will not be necessary for immaterial modifications to the Plan or any Award Agreement that are required for compliance with the laws of the relevant foreign jurisdiction). Without limiting the generality of the foregoing, the Board specifically is authorized to adopt rules, procedures and sub-plans, regarding, without limitation, conversion of local currency, obligations to pay payroll tax, determination of beneficiary designation requirements, withholding procedures and handling of share issuances, which may vary according to local requirements.

(xii) To effect, at any time and from time to time, (A) the reduction of the exercise, purchase or strike price of any outstanding Award (including without limitation any Option or SAR); (B) the cancellation of any outstanding Award and the grant in substitution therefor of a new (1) Option, Share Appreciation Right, Restricted Share Award, Restricted Share Unit Award, or Other Award under the Plan or another equity plan of the Company, covering the same or a different number of Ordinary Shares, (2) cash and/or (3) other valuable consideration determined by the Board, in its sole discretion; or (C) any other action that is treated as a repricing under generally accepted accounting principles; *provided*, that any repricing that the Board effectuates shall not require approval of the Company's shareholders.

(c) Delegation to Committee.

(i) General. The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration of the Plan is delegated to a Committee, the Committee will have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to a subcommittee of the Committee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board will thereafter be to the Committee or subcommittee). Any delegation of administrative powers will be reflected in resolutions, not inconsistent with the provisions of the Plan, adopted from time to time by the Board or Committee (as applicable). The Committee may, at any time, abolish the subcommittee and/or revert in the Committee any powers delegated to the subcommittee. The Board may retain the authority to concurrently administer the Plan with the Committee and may, at any time, revert in the Board some or all of the powers previously delegated.

(ii) Rule 16b-3 Compliance. To the extent an Award is intended to qualify of the exemption from Section 16(b) of the Exchange Act that is available under Rule 16b-3 of the Exchange Act, the Plan shall be administered by the Board or the Committee (subject to the Board's discretion) in accordance with the requirements of Rule 16b-3 under the Exchange Act to the extent necessary for such exemption to remain available. The failure of a member of the Board or Committee (as applicable) to qualify as a "non-employee director," as determined under Rule 16b-3(b)(3) of the Exchange Act, shall not invalidate any Award granted or action taken by the Board or Committee (as applicable) that is otherwise validly granted or taken under the terms of the Plan.

(d) Delegation to an Officer. The Board or any Committee may delegate to one (1) or more Officers the authority to do one (1) or both of the following: (i) designate Employees who are not Officers to be recipients of Options and SARs (and, to the extent permitted by applicable law, other Awards) and, to the extent permitted by applicable law, the terms of such Awards and (ii) determine the number of Ordinary Shares to be subject to such Awards granted to such Employees; *provided, however*, that the resolutions or charter adopted by the Board or any Committee evidencing such delegation will specify the total number of Ordinary Shares that may be subject to the Awards granted by such Officer and that such Officer may not grant an Award to himself or herself. Any such Awards will be granted on substantially the form of Award Agreement most recently approved for use by the Committee or the Board, unless otherwise provided in the resolutions approving the delegation authority. Notwithstanding anything to the contrary herein, neither the Board nor any Committee may delegate authority to an Officer who is acting solely in the capacity of an Officer (and not also as a Director) to determine the Fair Market Value (pursuant to Section 13(x) below).

(e) Effect of Board's Decision. All determinations, interpretations and constructions made by the Board or any Committee in good faith will not be subject to review by any person and will be final, binding and conclusive on all persons. The Board's or any Committee's decisions and determinations need not be uniform and may be made selectively among Participants in the Board's or any Committee's sole discretion. The Board's or any Committee's decisions and determinations will be afforded the maximum deference provided by applicable law.

3. Ordinary Shares Subject to the Plan.

(a) Share Reserve. Subject to adjustment in accordance with Section 3(c) and to any adjustment as necessary to implement any Capitalization Adjustments, (i) the initial Share Reserve on the Effective Date shall be 1,812,663 Ordinary Shares, and (ii) subject to any adjustment as necessary to implement any Capitalization Adjustments, the then-applicable Share Reserve number will automatically increase on January 1st of each year for a period of ten (10) years commencing on January 1, 2022 and ending on (and including) January 1, 2031, in an amount equal to the lesser of (A) three percent (3%) of the total number of Capital Shares outstanding on December 31st of the preceding year and (B) such fewer number of Ordinary Shares that the Board or any Committee may determine prior to January 1st of a given year; provided, if the Effective Date is after January 1, 2022, then the initial automatic increase shall occur on January 1, 2023 and the increases shall end on (and including) January 1, 2032.

(b) Aggregate Incentive Share Option Limit. Notwithstanding anything to the contrary in Section 3(a) and subject to any adjustments as necessary to implement any Capitalization Adjustment, the aggregate number of Ordinary Shares that may be issued pursuant to the exercise of Incentive Share Options is 1,812,663 Ordinary Shares.

(c) Reversion of Ordinary Shares to the Share Reserve. If an Award or any portion thereof (i) expires or otherwise terminates without all of the Ordinary Shares covered by such Award having been issued or (ii) is settled in cash (i.e., the Participant receives cash rather than Ordinary Shares), such expiration, termination or cash settlement will not reduce (or otherwise offset) the number of Ordinary Shares that may be available for issuance under the Plan. If any Ordinary Shares issued pursuant to an Award are forfeited back to or repurchased by the Company because of the failure to meet a contingency or condition required to vest such Ordinary Shares in the Participant, then the shares that are forfeited or repurchased will revert to and again become available for issuance under the Plan. Any Ordinary Shares reacquired by the Company in satisfaction of tax withholding obligations on an Award or as consideration for the exercise or purchase price of an Award will again become available for issuance under the Plan.

(d) Source of Ordinary Shares. The Ordinary Shares issuable under the Plan will be authorized but unissued or reacquired Ordinary Shares, including Ordinary Shares repurchased by the Company on an open market or otherwise.

(e) Substitute Awards. In connection with an entity's merger or consolidation with the Company or the Company's acquisition of an entity's property or stock, including without limitation pursuant to the Business Combination Agreement, the Board may grant Awards in substitution for any options or other share or share-based awards granted before such merger or consolidation by such entity or its affiliate. Substitute Awards may be granted on such terms as the Board deems appropriate, notwithstanding limitations on Awards in the Plan. Substitute Awards will not count against the Share Reserve set forth in Section 3(a) above (nor shall Ordinary Shares subject to a Substitute Award be added to the Ordinary Shares available for Awards under the Plan as provided in Section 3(c) above), except that Ordinary Shares acquired by exercise of substitute Incentive Share Options will count against the maximum number of Ordinary Shares that may be issued pursuant to the exercise of Incentive Share Options under Section 3(b) of the Plan.

(f) Class of Ordinary Shares. Substitute Awards and other Awards, in either case, granted under the Plan shall be for Class A Ordinary Shares.

4. Eligibility and Non-Employee Director Limitation.

(a) Eligible Award Recipients. Subject to the terms of the Plan and applicable law, Awards may be granted to Employees, Directors and Consultants.

(b) Service Recipient Stock. Notwithstanding anything herein to the contrary, no Award under which a Participant may receive Ordinary Shares may be granted to an Employee, Director, or Consultant of any Affiliate of the Company if such Ordinary Shares do not constitute "service recipient stock" for purposes of Section 409A of the Code with respect to such Employee, Director or Consultant and such Ordinary Shares are required to constitute "service recipient stock" for such Award to comply with, or be exempt from, Section 409A of the Code.

(c) Non-Employee Director Compensation Limitation. The aggregate value of all compensation granted or paid, as applicable, to any individual for service as a Non-Employee Director with respect to any calendar year, including Awards granted and cash fees paid by the Company to such Non-Employee Director, will not exceed (i) US\$750,000 total in value or (ii) in the event such Non-Employee Director is first appointed or elected to the Board during such calendar year, US\$1,000,000 in total value, in each case calculating the value of any equity awards based on the grant date fair value of such equity awards for financial reporting purposes. The limitations in this Section 4(c) shall apply commencing with the first calendar year that begins following the Effective Date. For avoidance of doubt, compensation will count towards this limit for the calendar year it was granted or earned, and not later when distributed, in the event it is deferred.

5. Provisions Relating to Options and Share Appreciation Rights.

Each Option or SAR will be in such form and will contain such terms and conditions as the Board deems appropriate. The provisions of separate Options or SARs need not be identical or comparable; *provided, however*, that each Award Agreement for Options or SARs will conform to (through incorporation of provisions hereof by reference in the applicable Award Agreement or otherwise) the substance of each of the following provisions:

(a) Term. No Option or SAR will be exercisable after the expiration of ten (10) years from the date of its grant or such shorter period specified in the Award Agreement.

(b) Exercise Price. The exercise or strike price of each Option or SAR shall be determined by the Board and set forth in the Award Agreement which, unless otherwise determined by the Board, may be a fixed or variable price determined by reference to the Fair Market Value of the Ordinary Shares over which such Award is granted; *provided, however*, that (i) no Option or SAR may be granted to a U.S. Participant with an exercise or strike price per Ordinary Share which is less than one hundred percent (100%) of the Fair Market Value of an Ordinary Share subject to the Option or SAR on the date of grant, without compliance with Section 409A of the Code or the Participant's consent, (ii) the exercise or strike price of each Option or SAR granted to a Participant that is not a U.S. Participant shall comply with applicable law, and (iii) an Option or SAR may be granted with an exercise or strike price lower than that set forth herein if such Option or SAR is granted pursuant to an assumption or substitution for an option or share appreciation right granted by another company, whether in connection with an acquisition of such company or otherwise, and in a manner consistent with the provisions of Section 409A of the Code and other applicable law. Notwithstanding the foregoing, no Option or SAR may be granted with an exercise or strike price lower than the par value of the Ordinary Shares. Each SAR will be denominated in Ordinary Share equivalents.

(c) Exercise Procedure and Payment of Exercise Price for Options. In order to exercise an Option, the Participant must provide notice of exercise to the Company in accordance with the procedures specified in the Option Agreement or otherwise provided by the Company. The purchase price of Ordinary Shares acquired pursuant to the exercise of an Option may be paid, to the extent permitted by applicable law and as determined by the Board in its sole discretion, by any combination of the methods of payment set forth below. Any Ordinary Shares that are not fully paid will be subject to the forfeiture provisions in the Company's Memorandum and Articles of Association (as amended and/or restated from time to time). The Board will have the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to use a particular method of payment. Subject to applicable law, the permitted methods of payment are as follows:

(i) by cash, check, bank draft or money order payable to the Company;

(ii) pursuant to a "cashless exercise" program (developed under Regulation T as promulgated by the U.S. Federal Reserve Board or similar regulations in other applicable jurisdictions, if required for compliance with the laws of the relevant jurisdiction) that, prior to the issuance of the Ordinary Share, is subject to the Option results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the aggregate exercise price to the Company from the sales proceeds;

(iii) by delivery to the Company (either by actual delivery or attestation) of Ordinary Shares that are already owned by the Participant free and clear of any liens, claims, encumbrances or security interests, with a Fair Market Value on the date of exercise that does not exceed the exercise price, *provided that* (A) at the time of exercise the Ordinary Shares are publicly traded, (B) any remaining balance of the exercise price not satisfied by such delivery is paid by the Participant in cash or other permitted form of payment, (C) such delivery would not violate any applicable law or agreement restricting the redemption of the Ordinary Shares, (D) any certificated shares are endorsed or accompanied by an executed assignment separate from the certificate, and (E) such Ordinary Shares have been held by the Participant for any minimum period necessary to avoid adverse accounting treatment as a result of such delivery as may be required by the Company;

(iv) if an Option is a Nonstatutory Share Option, by a “net exercise” arrangement pursuant to which the Company will reduce the number of Ordinary Shares issuable upon exercise by the largest whole number of Ordinary Shares with a Fair Market Value that does not exceed the aggregate exercise price; *provided, however,* that the Company will accept a cash or other payment from the Participant to the extent of any remaining balance of the aggregate exercise price not satisfied by such reduction in the number of whole Ordinary Shares to be issued. Ordinary Shares will no longer be subject to an Option and will not be exercisable thereafter to the extent that (A) Ordinary Shares issuable upon exercise are used to pay the exercise price pursuant to the “net exercise,” (B) Ordinary Shares are delivered to the Participant as a result of such exercise, and (C) Ordinary Shares are withheld to satisfy tax withholding obligations; or

(v) in any other form of legal consideration that may be acceptable to the Board and permissible under applicable law.

(d) Exercise and Payment of a SAR. To exercise any outstanding SAR, the Participant must provide written notice of exercise to the Company in compliance with the provisions of the Award Agreement evidencing such SAR or otherwise provided by the Company. The appreciation distribution payable on the exercise of a SAR will be not greater than an amount equal to the excess of (i) the aggregate Fair Market Value (on the date of the exercise of the SAR) of a number of Ordinary Shares equal to the number of Ordinary Shares equivalents in which the Participant is vested under such SAR, and with respect to which the Participant is exercising the SAR on such date, over (ii) the aggregate strike price of the number of Ordinary Shares equivalents with respect to which the Participant is exercising the SAR on such date. The appreciation distribution may be paid in Ordinary Shares, in cash, in any combination of the two or in any other form of consideration, as determined by the Board and contained in the Award Agreement evidencing such SAR and subject to applicable law.

(e) Transferability of Options and SARs. The Board may, in its sole discretion, impose such limitations on the transferability of Options and SARs as the Board will determine. In the absence of such a determination by the Board to the contrary, the following restrictions on the transferability of Options and SARs will apply:

(i) Restrictions on Transfer. An Option or SAR will not be transferable except by will or by the laws of descent and distribution (and pursuant to subsections (ii) and (iii) below), and will be exercisable during the lifetime of the Participant only by the Participant. The Board may permit transfer of the Option or SAR in a manner that is not prohibited by applicable tax and securities laws. Except as explicitly provided herein, neither an Option nor a SAR may be transferred for consideration.

(ii) Domestic Relations Orders. Subject to the approval of the Board or a duly authorized Officer, an Option or SAR may be transferred pursuant to the terms of a domestic relations order, official marital settlement agreement or other divorce or separation instrument as permitted by Treasury Regulation 1.421-1(b)(2) or regulations in other applicable jurisdictions.

(iii) Beneficiary Designation. Subject to the approval of the Board or a duly authorized Officer, a Participant may, by delivering written notice to the Company, in a form approved by the Company (or the designated broker), designate a third party who, upon the death of the Participant, will thereafter be entitled to exercise the Option or SAR and receive the Ordinary Shares or other consideration resulting from such exercise. In the absence of such a designation, upon the death of the Participant, the executor or administrator of the Participant's estate will be entitled to exercise the Option or SAR and receive the Ordinary Shares or other consideration resulting from such exercise. However, the Company may prohibit designation of a beneficiary at any time, including due to any conclusion by the Company that such designation would be inconsistent with the provisions of applicable laws.

(f) Vesting Generally. The total number of Ordinary Shares subject to an Option or SAR may vest and become exercisable in periodic installments that may or may not be equal. The Option or SAR may be subject to such other terms and conditions on the time or times when it may or may not be exercised (which may be based on the satisfaction of performance goals or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options or SARs may vary. The provisions of this Section 5(f) are subject to any Option or SAR provisions governing the minimum number of Ordinary Shares as to which an Option or SAR may be exercised.

(g) Termination of Continuous Service.

(i) Termination of Continuous Service for Cause. Except as explicitly provided otherwise in a Participant's Award Agreement or other written agreement between a Participant and the Company or an Affiliate, if a Participant's Continuous Service is terminated for Cause, the Participant's Options and SARs (whether vested or unvested) will terminate and be forfeited immediately upon such termination of Continuous Service, and the Participant will be prohibited from exercising any portion (including any vested portion) of such Awards on and after the date of such termination of Continuous Service and the Participant will have no further right, title or interest in such forfeited Award, the Ordinary Shares subject to the forfeited Award, or any consideration in respect of the forfeited Award.

(ii) Post-Termination Exercise Period Following Termination of Continuous Service for Reasons Other than Cause. Subject to Section 5(h), if a Participant's Continuous Service terminates for any reason other than for Cause, the Participant may exercise his or her Option or SAR to the extent vested, but only within the following period of time or, if applicable, such other period of time provided in the Award Agreement or other written agreement between a Participant and the Company or an Affiliate; *provided, however*, that in no event may such Award be exercised after the expiration of its maximum term (as set forth in Section 5(a)):

- (1) Three (3) months following the date of such termination if the Option is an Incentive Share Option (other than any termination due to the Participant's Disability or death);
- (2) Six (6) months following the date of such termination if such termination is a termination without Cause (other than any termination due to the Participant's Disability or death) or due to the Participant's resignation from employment;
- (3) Twelve (12) months following the date of such termination if such termination is due to the Participant's Disability;
- (4) Twelve (12) months following the date of such termination if such termination is due to the Participant's death; or
- (5) Twelve (12) months following the date of the Participant's death if such death occurs following the date of such termination but during the period such Award is otherwise exercisable (as provided in (1) or (2) above).

Following the date of such termination, to the extent the Participant does not exercise such Award within the applicable post-termination exercise period (or, if earlier, prior to the expiration of the maximum term of such Award), such unexercised portion of the Award will terminate, and the Participant will have no further right, title or interest in the terminated Award, the Ordinary Shares subject to the terminated Award, or any consideration in respect of the terminated Award.

(iii) Termination of Continuous Service and Unvested Portion of Award. Except as otherwise provided in the applicable Award Agreement or other written agreement between the Participant and the Company, immediately upon termination of Continuous Service, all unvested portions of any outstanding Options or SARs of such Participant shall be forfeited without consideration as of the termination date.

(h) Restrictions on Exercise; Extension of Exercisability. A Participant may not exercise an Option or SAR at any time that the issuance of Ordinary Shares upon such exercise would violate applicable law. Except as otherwise provided in the applicable Award Agreement or other written agreement between the Participant and the Company, if the exercise of an Option or SAR following the termination of the Participant's Continuous Service (other than for Cause and other than upon the Participant's death or Disability) would be prohibited at any time solely because the issuance of Ordinary Shares would violate applicable law, then the Option or SAR will terminate on the earlier of (i) the expiration of a total period of time (that need not be consecutive) equal to the applicable post termination exercise period after the termination of the Participant's Continuous Service during which the exercise of the Option or SAR would not be in violation of such registration requirements, and (ii) the expiration of the term of the Option or SAR as set forth in the applicable Award Agreement. In addition, unless otherwise provided in a Participant's Award Agreement, if the sale of any Ordinary Shares received upon exercise of an Option or SAR following the termination of the Participant's Continuous Service (other than for Cause) would violate the Company's insider trading policy, then the Option or SAR will terminate on the earlier of (i) the expiration of a period of time (that need not be consecutive) equal to the applicable post-termination exercise period after the termination of the Participant's Continuous Service during which the sale of the Ordinary Shares received upon exercise of the Option or SAR would not be in violation of the Company's insider trading policy, and (ii) the expiration of the term of the Option or SAR as set forth in the applicable Award Agreement.

(i) Modification or Assumption of Options. Except as otherwise provided in the Plan, the Board may modify, extend or assume outstanding Options or may accept the cancellation of outstanding stock options (whether granted by the Company or by another issuer) in return for the grant of new Options for the same or a different number of shares and at the same or a different exercise price. No modification of an Option shall, without the consent of the Participant, materially impair his or her rights or increase his or her obligations under such Option.

6. Provisions of Awards Other than Options and SARs.

(a) Restricted Share Awards. Each Restricted Share Award Agreement will be in such form and will contain such terms and conditions as the Board deems appropriate. To the extent consistent with the Company's Memorandum and Articles of Association (as amended and/or restated from time to time) and other constitutional and governance documents, at the Board's election, Ordinary Shares underlying a Restricted Share Award may be held in book entry form subject to the Company's instructions until any restrictions relating to the Restricted Share Award lapse; and may be evidenced by a certificate, which certificate will be held in such form and manner as determined by the Board. The Company may require that any share certificates relating to Restricted Shares be held by the Company in escrow for the participant until all restrictions on such Restricted Shares have been removed. The terms and conditions of Restricted Share Award Agreements may change from time to time, and the terms and conditions of separate Restricted Share Award Agreements need not be identical or comparable. Each Restricted Share Award Agreement will conform to (through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. A Restricted Share Award may be awarded in consideration for (A) cash, check, bank draft or money order payable to the Company, (B) past services to the Company or an Affiliate, or (C) any other form of legal consideration (including future services) that may be acceptable to the Board, in its sole discretion, and permissible under applicable law.

(ii) Vesting. Ordinary Shares awarded under the Restricted Share Award Agreement may be subject to forfeiture to the Company in accordance with a vesting schedule to be determined by the Board. Except as otherwise provided in an Award Agreement or other written agreement between a Participant and the Company or an Affiliate, vesting of Restricted Share Awards will cease upon termination of a Participant's Continuous Service.

(iii) Termination of Participant's Continuous Service. If a Participant's Continuous Service terminates, the Company may receive through a forfeiture condition or a repurchase right, any or all of the Ordinary Shares held by the Participant as of the date of termination of Continuous Service under the terms of the Restricted Share Award Agreement.

(iv) Transferability. Rights to acquire Ordinary Shares under the Restricted Share Award Agreement will be transferable by the Participant only upon such terms and conditions as are set forth in the Restricted Share Award Agreement, as the Board will determine in its sole discretion, so long as Ordinary Shares awarded under the Restricted Share Award Agreement remains subject to the terms of the Restricted Share Award Agreement.

(v) Dividends. A Restricted Share Award Agreement may provide that any dividends paid on Restricted Shares will be subject to the same vesting and forfeiture restrictions as apply to the Ordinary Shares subject to the Restricted Share Award to which they relate; provided, any performance-based Restricted Share Award Agreement shall provide that any dividends paid on Restricted Shares will be subject to the same vesting and forfeiture restrictions as apply to the Ordinary Shares subject to the Restricted Share Award to which they relate.

(vi) Shareholder Rights. Unless otherwise determined by the Board, a Participant will have voting and other rights as a shareholder of the Company with respect to any Ordinary Shares subject to a Restricted Share Award.

(b) Restricted Share Unit Awards. Each Restricted Share Unit Award Agreement will be in such form and will contain such terms and conditions as the Board deems appropriate. The terms and conditions of Restricted Share Unit Award Agreements may change from time to time, and the terms and conditions of separate Restricted Share Unit Award Agreements need not be identical or comparable. Each Restricted Share Unit Award Agreement will conform to (through incorporation of the provisions hereof by reference in the Agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. At the time of grant of a Restricted Share Unit Award, the Board will determine the consideration, if any, to be paid by the Participant upon delivery of each Ordinary Share subject to the Restricted Share Unit Award. The consideration to be paid (if any) by the Participant for each Ordinary Share subject to a Restricted Share Unit Award may be paid in any form of legal consideration that may be acceptable to the Board, in its sole discretion, and permissible under applicable law.

(ii) Vesting. At the time of the grant of a Restricted Share Unit Award, the Board may impose such restrictions on or conditions to the vesting of the Restricted Share Unit Award as it, in its sole discretion, deems appropriate.

(iii) Settlement. A Restricted Share Unit Award may be settled by the delivery of Ordinary Shares, their cash equivalent, any combination thereof or in any other form of consideration, as determined by the Board and contained in the Restricted Share Unit Award Agreement. At the time of the grant of a Restricted Share Unit Award, the Board, as it deems appropriate, may impose such restrictions or conditions that delay the delivery of the Ordinary Shares (or their cash equivalent) subject to a Restricted Share Unit Award to a time after the vesting of such Restricted Share Unit Award.

(iv) Dividend Equivalents. Dividend equivalents may be credited in respect of Ordinary Shares covered by a Restricted Share Unit Award, as determined by the Board and contained in the Restricted Share Unit Award Agreement. At the sole discretion of the Board, such dividend equivalents may be converted into additional Ordinary Shares covered by the Restricted Share Unit Award in such manner as determined by the Board. Any additional Ordinary Shares covered by the Restricted Share Unit Award credited by reason of such dividend equivalents will be subject to all of the same terms and conditions of the underlying Restricted Share Unit Award Agreement to which they relate. Any dividend equivalents distributed under the Plan shall not be counted against the Share Reserve.

(v) Termination of Participant's Continuous Service. Except as otherwise provided in the applicable Restricted Share Unit Award Agreement, such portion of the Restricted Share Unit Award that has not vested will be forfeited upon the Participant's termination of Continuous Service, and the Participant will have no further right, title or interest in the Restricted Share Unit Award, the Ordinary Shares issuable pursuant to the Restricted Share Unit Award, or any consideration in respect of the Restricted Share Unit Award.

(vi) Creditors' Rights. The Plan is intended to constitute an "unfunded" plan for incentive compensation. The Company shall not be required to establish any special or separate fund or to segregate any assets to assure the performance of its obligations under the Plan. With respect to any payments not yet made or Ordinary Shares not yet transferred to a Participant by the Company, nothing contained in the Plan shall give any Participant any rights that are greater than those of a general creditor of the Company.

(c) Other Awards. Other forms of Awards valued in whole or in part by reference to, or otherwise based on, Ordinary Shares, including the appreciation in value thereof (e.g., options or share rights with an exercise price or strike price less than one hundred percent (100%) of the Fair Market Value of the Ordinary Shares at the time of grant) may be granted either alone or in addition to Awards provided for under Section 5 and the preceding provisions of this Section 6. Such Other Awards may include (without limitation) Awards that may vest or may be exercised or a cash Awards that may vest or become earned and paid contingent on the attainment during a performance period of performance goals or other criteria as the Board may determine. Subject to the provisions of the Plan, the Board will have sole and complete authority to determine the persons to whom and the time or times at which such Other Awards will be granted, the number of Ordinary Shares (or the cash equivalent thereof) to be granted pursuant to such Other Awards, and all other terms and conditions of such Other Awards (including without limitation, with respect to any performance Awards, the length of the performance period, the performance goals to be achieved during the performance period, and the measure of whether and to what degree such performance goals have been obtained).

7. Covenants of the Company.

(a) Availability of Ordinary Shares. The Company will keep available at all times the number of Ordinary Shares reasonably required to satisfy then-outstanding Awards.

(b) Securities Law Compliance. The Company will use commercially reasonable efforts to seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Awards and to issue and sell Ordinary Shares upon exercise of the Awards; *provided, however,* that this undertaking will not require the Company to register the Plan, any Award or any Ordinary Shares issued or issuable pursuant to any such Award under the Securities Act or other applicable securities regulatory scheme. If, after reasonable efforts and at a reasonable cost, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary for the lawful issuance and sale of Ordinary Shares under the Plan, the Company will be relieved from any liability for failure to issue and sell Ordinary Shares upon exercise of such Awards unless and until such authority is obtained. A Participant will not be eligible for the grant of an Award or the subsequent issuance of cash or Ordinary Shares pursuant to the Award if such grant or issuance would be in violation of any applicable securities law or any other applicable law or regulation.

(c) No Obligation to Notify or Minimize Taxes. The Company will have no duty or obligation to any Participant to advise such holder as to the time or manner of exercising such Award. Furthermore, the Company will have no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of an Award or a possible period in which the Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of an Award to the holder of such Award.

8. Miscellaneous.

(a) Use of Proceeds from Sales of Ordinary Share. Proceeds from the sale of Ordinary Shares pursuant to Awards will constitute general funds of the Company.

(b) Corporate Action Constituting Grant of Awards. Corporate action constituting a grant by the Company of an Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (e.g., Board consents, resolutions or minutes) documenting the corporate action constituting the grant contain terms (e.g., exercise price, vesting schedule or number of Ordinary Shares) that are inconsistent with those in the Award Agreement as a result of a clerical error in the papering of the Award Agreement, the corporate records will control and the Participant will have no legally binding right to the incorrect term in the Award Agreement.

(c) Shareholder Rights. No Participant will be deemed to be the holder of, or to have any of the rights of a holder with respect to, any Ordinary Shares subject to an Award unless and until (i) such Participant has satisfied all requirements for exercise of, or the issuance of Ordinary Shares under, the Award pursuant to its terms, including but not limited to, any applicable withholding or tax obligations relating to the Award, and (ii) the issuance of the Ordinary Shares subject to the Award has been entered into the books and records of the Company and the register of members of the Company has been accordingly updated. No adjustment shall be made for cash or stock dividends or other rights for which the record date is prior to the date when such Ordinary Share is issued, except as expressly provided in this Plan.

(d) No Employment or Other Service Rights. Nothing in the Plan, any Award Agreement or any other instrument executed thereunder or in connection with any Award granted pursuant thereto will confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Award was granted or will affect the right of the Company or an Affiliate to terminate (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate, or (iii) the service of a Director pursuant to the Company's Memorandum and Articles of Association (as amended and/or restated from time to time) and other constitutional and governance documents of the Company or an Affiliate, and any provisions of the applicable laws of the jurisdiction in which the Company or the Affiliate is incorporated, as the case may be.

(e) Government and Other Regulations. The obligation of the Company to make payment of awards in Ordinary Shares or otherwise shall be subject to all applicable laws, and to such approvals by government agencies as may be required. The Company shall be under no obligation to register any of the Ordinary Shares paid pursuant to the Plan under the Securities Act or any other similar laws in any applicable jurisdiction. If the Ordinary Shares paid pursuant to the Plan may in certain circumstance be exempt from registration pursuant to the Securities Act or other applicable laws, the Company may restrict the transfer of such Ordinary Shares in such manner as it deems advisable to ensure the availability of such exemption. The Company may, upon advice of counsel to the Company, place legends on share certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws or other applicable laws, including, but not limited to, legends restricting the transfer of the Ordinary Shares.

(f) Withholding Obligations. Unless prohibited by the terms of an Award Agreement, the Company may, in its sole discretion, satisfy any tax withholding obligation relating to an Award by any of the following means or by a combination of such means: (i) causing the Participant to tender a cash payment; (ii) withholding Ordinary Shares from the Ordinary Shares issued or otherwise issuable to the Participant in connection with the Award; (iii) withholding cash from an Award settled in cash; (iv) withholding payment from payroll and/or any other amounts otherwise payable to the Participant; (v) by allowing a Participant to effectuate a “cashless exercise”; or (vi) by such other method as may be set forth in the Award Agreement.

(g) Electronic Delivery. Any reference herein to a “written” agreement or document will include any agreement or document delivered electronically or posted on the Company’s intranet (or other shared electronic medium controlled by the Company to which the Participant has access).

(h) Deferrals. To the extent permitted by applicable law, the Board, in its sole discretion, may determine that the delivery of Ordinary Shares or the payment of cash, upon the exercise, vesting or settlement of all or a portion of any Award may be deferred and may establish programs and procedures for deferral elections to be made by Participants. The Board is authorized to make deferrals of Awards and determine when, and in what annual percentages, Participants may receive payments, including lump sum payments, following the Participant’s termination of Continuous Service, and implement such other terms and conditions consistent with the provisions of the Plan and in accordance with applicable law.

(i) Additional Information. The Company shall request the Participant to provide any information necessary to comply with applicable laws and regulations, including without limitation the Cayman Islands Tax Information Authority Law (2013 Revision), Tax Information Authority (International Tax Compliance) (United Kingdom) Regulations, 2014, and Tax Information Authority (International Tax Compliance) (United States of America) Regulations, 2014, and any anti-money laundering or anti-terrorist laws or regulations (the “**Relevant Regulations**”) and may delay updating the Company’s books and records and register of members until the relevant Participant has provided satisfactory information to the Company. The Company may disclose any information concerning the Participant necessary to comply with the Relevant Regulations.

(j) Buyout of Awards. The Board may at any time offer to buy out, and the Participants shall accept such offer, for a payment in cash or cash equivalents (including without limitation Ordinary Shares issued at Fair Market Value that may or may not be issued under this Plan), an Award previously granted based upon such terms and conditions as the Board shall establish.

(k) Clawback Policy. The Company may (i) cause the cancellation of any Award, (ii) require reimbursement of any Award by a Participant, and (iii) effect any other right of recoupment of equity or other compensation provided under this Plan or otherwise in accordance with Company policies in effect on the date of grant of the applicable Award and/or applicable law (each, a “**Clawback Policy**”). In addition, a Participant may be required to repay to the Company certain previously paid compensation, whether provided under this Plan or an Award Agreement or otherwise, in accordance with the Clawback Policy.

(l) Foreign Currency. A Participant may be required to provide evidence that any currency used to pay the exercise or strike price of any Award was acquired and taken out of the jurisdiction in which the Participant resides in accordance with applicable laws, including foreign exchange control laws and regulations.

9. Adjustments upon Changes in Ordinary Share; Other Corporate Events.

(a) Capitalization Adjustments. In the event of a Capitalization Adjustment, the Board will appropriately and proportionately adjust: (i) the class(es) and maximum number of securities subject to the Plan pursuant to Section 3(a), (ii) the class(es) and maximum number of securities that may be issued pursuant to the exercise of Incentive Share Options pursuant to Section 3(b), (iii) the class(es) and number of securities and price per share of Ordinary Shares subject to outstanding Awards, or (iv) the issuer of the Awards. The Board will make such adjustments, and its determination will be final, binding and conclusive.

(b) In the event of any change in the capitalization of the Company or corporate change other than those specifically referred to in Section 9(a), including without limitation, any extraordinary cash dividend, spin-off, split-off, sale of a Subsidiary or business unit, public listing of a Subsidiary, or other similar transaction, the Board may make such adjustments in the issuer, number and class of shares subject to Awards outstanding on the date on which such change occurs, such as, for example, a rollover of Awards, as the Board may consider appropriate.

(c) Dissolution or Liquidation. Except as otherwise provided in the Award Agreement, in the event of a dissolution or liquidation of the Company, all outstanding Awards (other than Awards consisting of vested and outstanding Ordinary Shares not subject to a forfeiture condition or the Company's right of repurchase) will terminate immediately prior to the completion of such dissolution or liquidation, and the Ordinary Shares subject to the Company's repurchase rights or subject to a forfeiture condition may be repurchased or reacquired by the Company notwithstanding the fact that the holder of such Award is providing Continuous Service, *provided, however*, that the Board may, in its sole discretion, cause some or all Awards to become fully vested, exercisable and/or no longer subject to repurchase or forfeiture (to the extent such Awards have not previously expired or terminated) before the dissolution or liquidation is completed but contingent on its completion.

(d) Corporate Transactions. The following provisions will apply to Awards in the event of a Transaction unless otherwise provided in the Award Agreement or any other written agreement between the Company or any Affiliate and the Participant or unless otherwise expressly provided by the Board at the time of grant of an Award. In the event of a Transaction, then, notwithstanding any other provision of the Plan, the Board may take one (1) or more of the following actions with respect to Awards, contingent upon the closing or completion of the Transaction:

(i) arrange for the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) to assume or continue the Award or to substitute a similar award for the Award (including, but not limited to, an award to acquire the same consideration (including property with the same value as the consideration) paid to the shareholders of the Company pursuant to the Transaction);

(ii) arrange for the assignment of any reacquisition or repurchase rights held by the Company in respect of Ordinary Shares issued pursuant to the Award to the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company);

(iii) accelerate the vesting, in whole or in part, of the Award (and, if applicable, the time at which the Award may be exercised) to a date prior to the effective time of such Transaction as the Board determines (or, if the Board does not determine such a date, to the date that is five (5) days prior to the effective date of the Transaction), with such Award terminating if not exercised (if applicable) at or prior to the effective time of the Transaction; provided, however, that the Board may require Participants to complete and deliver to the Company a notice of exercise before the effective date of a Transaction, which exercise is contingent upon the effectiveness of such Transaction;

(iv) arrange for the lapse, in whole or in part, of any reacquisition or repurchase rights held by the Company with respect to the Award;

(v) cancel or arrange for the cancellation of the Award, to the extent not vested or not exercised prior to the effective time of the Transaction, in exchange for such cash consideration, if any, as the Board, in its sole discretion, may consider appropriate; and

(vi) make a payment, in such form as may be determined by the Board equal to the excess, if any, of (A) the value of the property the Participant would have received upon the exercise of the Award immediately prior to the effective time of the Transaction, over (B) any exercise price payable by such holder in connection with such exercise. For clarity, this payment may be zero (\$0) and the Award may be cancelled with no consideration if the cash, value of the property or a combination of both that the Participant would be scheduled to receive at the consummation of the Transaction is equal to or less than the exercise price. Payments under this provision may be delayed or forfeited to the same extent that payment of consideration to the holders of the Company's Ordinary Shares in connection with the Transaction is delayed or forfeited as a result of escrows, earn outs, holdbacks or any other contingencies.

The Board need not take the same action or actions with respect to all Awards or portions thereof or with respect to all Participants. The Board may take different actions with respect to the vested and unvested portions of an Award.

(e) Change in Control. An Award may be subject to additional acceleration of vesting and exercisability upon or after a Change in Control as may be provided in the Award Agreement for such Award or as may be provided in any other written agreement between the Company or any Affiliate and the Participant, but in the absence of such provision, no such acceleration will occur without Board action.

10. Plan Term; Earlier Termination or Suspension of the Plan

(a) Plan Term. The Board may suspend or terminate the Plan at any time. Unless terminated sooner by the Board, the Plan will automatically terminate on the day before the tenth anniversary of the Effective Date; provided, no Incentive Share Options shall be granted on or after the earlier of (i) the tenth anniversary of the date the Plan is adopted by the Board, or (ii) the tenth anniversary of the date the Plan is approved by the shareholders of the Company. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

(b) No Impairment of Rights. Suspension or termination of the Plan will not impair rights and obligations under any Award granted while the Plan is in effect except with the written consent of the affected Participant or as otherwise permitted in the Plan.

11. Additional Provisions Applicable to U.S. Participants.

(a) Incentive Share Options.

(i) Incentive Share Options may be granted only to employees of the Company or a "parent corporation" or "subsidiary corporation" thereof (as such terms are defined in Sections 424(e) and (f) of the Code, respectively).

(ii) A Ten Percent Shareholder shall not be granted an Incentive Share Option unless the exercise price of such Option is at least one hundred ten percent (110%) of the Fair Market Value on the date of grant and the Option is not exercisable after the expiration of five (5) years from the date of grant or such shorter period specified in the Award Agreement. “**Ten Percent Shareholder**” means a person who Owns (or is deemed to Own pursuant to Section 424(d) of the Code) Capital Shares possessing more than ten percent (10%) of the total combined voting power of all classes of shares of the Company or any “parent corporation” or “subsidiary corporation” of the Company, as such terms are defined in Sections 424(e) and (f) of the Code, respectively.

(iii) To the extent that the aggregate Fair Market Value (determined at the time of grant) of Ordinary Shares with respect to which Incentive Share Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and any Affiliates) exceeds one hundred thousand dollars (\$100,000) (or such other limit established in the Code) or otherwise does not comply with the rules governing Incentive Share Options, the Options or portions thereof that exceed such limit (according to the order in which they were granted) or otherwise do not comply with such rules will be treated as Nonstatutory Share Options, notwithstanding any contrary provision of the applicable Option Agreement(s).

(b) Compliance with Section 409A of the Code. To the extent that the Board determines that any Award granted hereunder is subject to Section 409A of the Code, the Award Agreement evidencing such Award shall incorporate the terms and conditions necessary to avoid the consequences specified in Section 409A(a)(1) of the Code. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code. In the event that any provision of the Plan or an Award agreement is determined by the Board to not comply with the applicable requirements of Section 409A of the Code or the Treasury Regulations or other guidance issued thereunder, the Board shall have the authority to take such actions and to make such changes to the Plan or an Award Agreement as the Board deems necessary to comply with such requirements (including without limitation, after the grant date of an Award, increasing the exercise price to equal what was the Fair Market Value on the grant date of the Award). Each payment to a Participant made pursuant to this Plan shall be considered a separate payment and not one of a series of payments for purposes of Section 409A of the Code. Notwithstanding the foregoing or anything elsewhere in the Plan or an Award Agreement to the contrary, if upon a Participant’s Separation From Service (as defined in Section 409A of the Code), he/she is then a “specified employee” (as defined in Section 409A of the Code), then solely to the extent necessary to comply with Section 409A of the Code and avoid the imposition of taxes under Section 409A of the Code, the Company shall defer payment of “nonqualified deferred compensation” subject to Section 409A of the Code payable as a result of and within six (6) months following such Separation From Service under this Plan until the earlier of (i) the first business day of the seventh month following the Participant’s Separation From Service, or (ii) ten (10) days after the Company receives written confirmation of the Participant’s death. Any such delayed payments shall be made without interest. While it is intended that all payments and benefits provided under this Plan will be exempt from or comply with Section 409A of the Code, the Company makes no representation or covenant to ensure that the Awards and payments under this Plan are exempt from or compliant with Section 409A of the Code. The Company will have no liability to any Participant or any other party if a payment or benefit under this Plan or any Award is challenged by any taxing authority or is ultimately determined not to be exempt or compliant. Each Participant further understands and agrees that each Participant will be entirely responsible for any and all taxes on any benefits payable to the Participant as a result of this Plan or any Award. In no event whatsoever shall the Company be liable for any additional tax, interest or penalties that may be imposed on a Participant by Section 409A of the Code or for any damages for failing to comply with Section 409A of the Code.

(c) Compliance with Section 457A of the Code. Notwithstanding any provision of the Plan or an Award Agreement to the contrary, to the extent that the Board determines in its sole discretion that the amount payable or Ordinary Shares issuable under any Award would be taxable to the Participant under Section 457A of the Code in the year such Award is no longer subject to a substantial risk of forfeiture, then the amount payable or Ordinary Shares issuable under such Award shall be paid or issued to the Participant as soon as reasonably practicable after such substantial risk of forfeiture lapses (or, for Awards that are not considered nonqualified deferred compensation subject to Section 409A of the Code, no later than the end of the short-term deferral period permitted by Section 457A of the Code).

(d) Section 280G of the Code. Notwithstanding any provision of the Plan or an Award Agreement to the contrary, if any payment or benefit that a U.S. Participant would receive pursuant to the Plan or an Award Agreement or any other agreement and/or arrangement with the Company or any of its Affiliates (a “**Payment**”) would (i) constitute a “parachute payment” within the meaning of Section 280G of the Code, and (ii) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the “**Excise Tax**”), then such Payment will be equal to the Reduced Amount. The “**Reduced Amount**” will be either (x) the largest portion of the Payment that would result in no portion of the Payment being subject to the Excise Tax or (y) the largest portion, up to and including the total, of the Payment, whichever amount, after taking into account all applicable federal, state and local employment taxes, income taxes, and the Excise Tax (all computed at the highest applicable marginal rate), results in the U.S. Participant’s receipt, on an after-tax basis, of the greater economic benefit notwithstanding that all or some portion of the Payment may be subject to the Excise Tax. If a reduction in payments or benefits constituting “parachute payments” is necessary so that the Payment equals the Reduced Amount, reduction will occur in the manner that results in the greatest economic benefit for the U.S. Participant, generally with such reduction made first from amounts that are not subject to Section 409A of the Code and, if necessary, from amounts that are subject to Section 409A of the Code in reverse chronological order or, if more than one (1) method of reduction will result in the same economic benefit, the items so reduced will be reduced pro rata.

12. Choice of Law; Arbitration.

For the avoidance of doubt, the law of the arbitration shall be governed by the International Arbitration Act (Chapter 143A, 2002 Ed, Statutes of the Republic of Singapore) or its modification or re-enactment thereof.

Notwithstanding the foregoing, the conversion of any convertible securities of the Company will not be treated as a Capitalization Adjustment.
- (h) “**Cause**” will have the meaning ascribed to such term in any written agreement between the Participant and the Company or an Affiliate defining such term and which is in effect on the applicable grant date of the Award and, in the absence of such agreement, such term means, with respect to a Participant, the occurrence of any of the following events: (i) such Participant’s commission of any felony or any crime involving fraud, dishonesty or moral turpitude under the laws of the applicable jurisdiction; (ii) such Participant’s attempted commission of, or participation in, a fraud or act of dishonesty against the Company or an Affiliate; (iii) such Participant’s intentional, material violation of any material Company or Affiliate policy applicable to the Participant or any contract or agreement between the Participant and the Company or an Affiliate or of any statutory duty owed to the Company or an Affiliate; (iv) such Participant’s unauthorized use or disclosure of the Company’s or an Affiliate’s confidential information or trade secrets (subject to any whistleblower, defense of trade secrets and similar limitations therein); or (v) such Participant’s gross misconduct. (i) “Change in Control” means the occurrence, in a single transaction or in a series of related transactions, of any one (1) or more of the following events:

(i) any Exchange Act Person becomes the Owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company’s then outstanding securities other than by virtue of a merger, consolidation or similar transaction. Notwithstanding the foregoing, a Change in Control shall not be deemed to occur (A) on account of the acquisition of securities of the Company directly from the Company, (B) on account of the acquisition of securities of the Company by an investor, any affiliate thereof or any other Exchange Act Person that acquires the Company’s securities in a transaction or series of related transactions the primary purpose of which is to obtain financing for the Company through the issuance of equity securities, or (C) solely because the level of Ownership held by any Exchange Act Person (the “**Subject Person**”) exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur;

(ii) there is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation or similar transaction, the shareholders of the Company immediately prior thereto do not Own, directly or indirectly, either (A) outstanding voting securities representing more than fifty percent (50%) of the combined outstanding voting power of the surviving Entity in such merger, consolidation or similar transaction or (B) more than fifty percent (50%) of the combined outstanding voting power of the parent of the surviving Entity in such merger, consolidation or similar transaction, in each case in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such transaction;

(iv) there is consummated a sale, lease, exclusive license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries to an Entity, more than fifty percent (50%) of the combined voting power of the voting securities of which are Owned by shareholders of the Company in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such sale, lease, license or other disposition.

Notwithstanding the foregoing definition or any other provision of this Plan, the term Change in Control will not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company.

If required for compliance with Section 409A of the Code, in no event will a Change in Control be deemed to have occurred if such transaction is not also a “change in the ownership or effective control of” the Company or “a change in the ownership of a substantial portion of the assets of” the Company as determined under Treasury Regulation Section 1.409A-3(i)(5) (without regard to any alternative definition thereunder).

For example, a change in status from an Employee of the Company to a Consultant of an Affiliate or to a Director will not constitute an interruption of Continuous Service. To the extent permitted by law, the Board or the chief executive officer of the Company, in that party’s sole discretion, may determine whether Continuous Service will be considered interrupted in the case of (i) any leave of absence approved by the Board or chief executive officer, including sick leave, military leave or any other personal leave, or (ii) transfers between the Company, an Affiliate, or their successors.
